

HONEYBEE ROBOTICS, LTD. – PURCHASE ORDER TERMS AND CONDITIONS

Dated August 12, 2020

1. OFFER, ACCEPTANCE, CONFIRMATION

This Purchase Order may be construed as an offer, an acceptance of an offer, or a confirmation of a contract. In the event the Purchase Order is construed as an OFFER, the offer expressly limits acceptance to the terms of the offer and constitutes notice of objection to any additional or different terms in the acceptance so as to preclude the inclusion of any different or additional items in any resulting contract. If this Purchase Order is construed as an ACCEPTANCE, the acceptance is expressly conditioned on the seller's assent to any additional or different terms contained herein. If this Purchase Order is construed as a CONFIRMATION of an existing contract, such confirmation is expressly conditioned on the seller's assent to any additional or different terms contained herein. All sections of the Uniform Commercial Code which expressly or impliedly protect the Buyer are hereby incorporated by reference in this form, whether it be construed as an offer, acceptance, or confirmation.

2. EQUAL EMPLOYMENT

Honeybee Robotics, Ltd. (HBR) is an equal opportunity employer and federal contractor or subcontractor. Consequently, the parties agree that, as applicable, they will abide by the requirements of 41 CFR 60-1.4(a), 41 CFR 60-300.5(a) and 41 CFR 60-741.5(a) and that these laws are incorporated herein by reference. These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities, and prohibit discrimination against all individuals based on their race, color, religion, sex, sexual orientation, gender identity or national origin. These regulations require that covered prime contractors and subcontractors take affirmative action to employ and advance in employment individuals without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, protected veteran status or disability. The parties also agree that, as applicable, they will abide by the requirements of Executive Order 13496 (29 CFR Part 471, Appendix A to Subpart A), relating to the notice of employee rights under federal labor laws.

3. APPLICABLE LAW

This order, which includes Seller's EEO compliance certificate (if applicable) and any supplemental sheets and riders annexed by Buyer, contains the complete and entire agreement between the parties and supersedes any previous communications, representations or agreements, whether oral or written with respect to the subject matter of this order.

6. COMPLIANCE WITH LAWS

In performance of this order, Seller shall, at all times, comply with, and give all stipulations, representations and certifications required by, all applicable executive orders, Federal, state, municipal and local laws, and rules, orders, requirements and regulations issued thereunder.

7. CHANGES

Buyer may at any time, by written Purchase Order Change, suspend performance in whole or in part, make changes in drawings, designs, specifications, method of shipment or packing, or time or place of delivery or require additional or diminished work. If any such change causes an increase or decrease in the cost of, or the time required for performance of this order, an equitable adjustment shall be made in the contract price or delivery dates or both, and this order shall be modified in writing accordingly. Any claim for adjustment under this Article shall conclusively be deemed to be waived unless asserted in writing (including the amount of the claim) and delivered to Buyer within thirty (30) days from the date of receipt by Seller of the Change Order. If the cost of property made obsolete or excess as a result of a change is paid by Buyer, Buyer may prescribe the manner of disposition of such property. Buyer's engineering and technical personnel may from time to time render assistance to Seller concerning the items or services to be furnished pursuant to this order, but such personnel are not authorized to change the items ordered or the provisions of this order. No Change Order will be binding on Buyer unless issued by an authorized representative of Buyer's Purchasing office. Nothing in this Article shall excuse Seller from proceeding with the Purchase Order as changed. Seller (subtier supplier) must notify Buyer (subcontractor) of any proposed changes to subcontractor-approved design, parts, materials, or fabrication methods or processes, and to obtain subcontractor approval prior to change incorporation. Seller (subtier supplier) must immediately notify the Buyer (subcontractor) of a change in manufacturing or processing facility location.

All completion and/or delivery dates stated in this order are critical. Seller agrees to exert every reasonable effort, including the use of overtime, work around methods, and premium shipments (all at the sole expense of Seller), to meet the contractual delivery dates. Notification shall include but not be limited to, the reasons for any delays and steps being taken to remedy such issues, including providing a recovery schedule if requested by Buyer. Such notification is for informational purposes and shall not be construed as a waiver of Seller's obligations to meet the delivery schedule. If after all reasonable efforts have been made, Seller is still unable to meet contractual delivery date(s), Seller shall propose a new delivery date to Buyer in writing. Acceptance by Buyer of the new delivery schedule shall not be interpreted as a waiver or release of any rights or remedies Buyer may be entitled to under the order or at law.
